I want to invite you to participate in the 2020 North Carolina Forestry Association's Annual Meeting to be held October 7-9, 2020 at Biltmore Estate, Asheville, NC.

This year's theme is "First in Forestry" and will have informative presentations from the American Forest Foundation, Evergreen Packaging, Team Safe Trucking, the United State Forest Service and more.

For over 100 years, the NCFA has been active in efforts to promote your business and maintain a constructive environment for the forestry industry. The 2020 meeting will have updates on legislative activities, trade trends, outreach efforts, and our many partnerships and projects.

As with all NCFA annual meetings, networking with your forestry peers and decision-makers has tremendous value. Your participation is an investment in the health and future of your business and our industry.

Meetings with this caliber of speakers and in facilities like the Biltmore Estate are costly. We ask that you consider sponsoring an event and contribute to our meeting's success. Sponsorships help fund expenses and are great opportunities to show your support of our industry. The sponsorship opportunity sheet is enclosed and we ask that you review and commit as much as possible.

For timely printing of the sponsorship boards and programs, please complete and return the attached sponsor form with your check or pledge to the NCFA by August 30 2020. You may also email your company logo to [jhatcher@ncforestry.org](mailto:jhatcher@ncforestry.org)

As you are considering your sponsorship; ask anyone who attending last year's meeting in Raleigh, NC on the value for their profession. This event is the North Carolina forest industry's largest gathering of the year and best information sharing opportunity. The NCFA website, the electronic weekly *Zipline*, the *Treeline*, or any NCFA staffer can provide additional information.

Your leadership is important to our industry and we ask that you encourage others to contribute, participate and attend.

We appreciate your continued support and look forward to seeing you, your colleagues, and family in Asheville!

Sincerely,  
Doug Burleson  
NC Forestry Association
