FAVORITE PART OF THE JOB

"I enjoy the variety of work and the people I work with. I appreciate that the work I do is making a difference on a local and state level."

WHY FORESTRY?

"I did not come from a forestry family but I grew up outdoors. I loved to hunt, fish, camp, etc. In college I pursued wildlife courses because I wanted to be outside. Through the advice of a mentor, I switched to forestry because there were more career opportunities."

ADVICE

"Seek out knowledge from professionals and get involved in organizations in order to build a network."
